

STATEMENT OF PARTICIPATION AGREEMENT/WAIVER OF LIABILITY

Applicant understands that The Pennsylvania State University, through its Capital Union Building Aquatics facility, offers exercise that can be potentially dangerous.

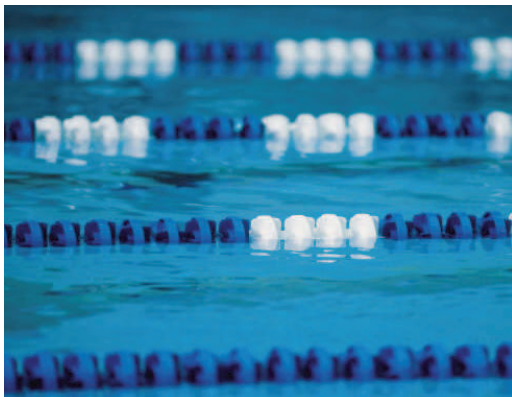

Therefore, it being the intent of the Applicant to hold Pennsylvania State University, its trustees, officers, agents and employees harmless, Applicant hereby releases, waives and forever discharges the same from any and all liability for injury suffered by Applicant related to the use of the Capital Union Building Aquatics facility and the locker rooms at his/her own risk.

It is recommended that Applicant become knowledgeable of all pool rules prior to using the facility.

Pool rules are posted in the facility.

Applicant also understands that due to emergencies in the pool area that the pool may need to close for the lifeguards on duty to attend to the victim(s).

Additionally, applicant authorizes Penn State personnel to photograph, videotape, and/or audiotape in promotion of The Pennsylvania State University's Aquatic Programs.

IMPORTANT INFORMATION

Prerequisites:

To participate in the Lifeguarding Instructor course, individuals must be at least 17 years of age on or before the final scheduled lesson of this course. Proof of age will be required (Birth Certificate). Individuals must also successfully demonstrate the ability to perform the following swimming skills listed below. The Skills Screening is mandated by the Red Cross and is designed to determine if instructor candidates have the prerequisite knowledge and skills to take the instructor course. Possess a current American Red Cross certificate for Lifeguarding/First Aid/CPR/AED or equivalent certification from another organization. Successfully complete the online session.

Skills Screening:

- 300 yards continuously demonstrating breath control and rhythmic breathing. Swim using the front crawl, breaststroke, or a combination of both, but swimming on the back or side is not allowed. Swim goggles may be used.
- Tread water for two minutes using only the legs. Hands should be placed under the armpits.
- Complete a timed event within one minute, 40 seconds.
 - Starting in the water, swim 20 yards. The face may be in or out of the water. Swim goggles are not allowed.
 - Surface dive, feet-first or head-first, to a depth of seven to 10 feet to retrieve a 10-pound object.
 - Return to the surface and swim 20 yards on the back to return to the starting point with both hands holding the object and keeping the face at or near the surface to be able to breathe. Candidates should not swim the distance under water.
 - Exit the water without using a ladder or steps.
- A submerged victim rescue.
- A demonstration of how to care for a head, neck or spinal injury in deep water.

Certification & Completion Requirements:

- Successfully complete the precourse session.
- Successfully complete the online session.
- Attend and successfully participate in all course lessons.
- Successfully complete the required number of practice-teaching assignments.
- Score at least 80 percent on the 3 final instructor course written exam.
