ACCREDITATION

School of Behavioral Sciences and Education

The Association for Behavior Analysis International has verified that the curriculum for the master's program in Applied Behavior Analysis meets the coursework requirements for students taking the Board Certified Behavior Analyst Examination.

School of Business Administration

AACSB International (the Association to Advance Collegiate Schools of Business) has extended the accreditation for the business degree programs offered by Penn State Harrisburg's School of Business Administration. The five-year extension of accreditation is the outcome of a recent Continuous Improvement Review and campus visit.

School of Humanities

The school is now in the process of seeking candidacy for accreditation from the Council on Academic Accreditation in Audiology and Speech-Language Pathology for the new master's of science in speech-language pathology.

School of Public Affairs

The Network of Schools of Public Policy, Affairs, and Administration (NASPAA) has extended the accreditation for the master's of public administration. The six-year extension of accreditation is the outcome of a recent review by NASPAA's Commission on Peer Review and Accreditation.
