Dissertation Title: *“Responding to Non-Native Writers of English: Relationship between a Teacher’s Written Comments and Improvement in Second Language Writing”*

Chair: Matthew Joseph Wagner, Ed.D.

Minor: Statistics

PROFESSIONAL SUMMARY

Experienced in teaching and researching the second language writing.

Experienced in teaching comparative linguistics (Korean and English).

Skillful in consulting ESL students about language acquisition and acculturation.

Expertise in developing ESL teaching materials and curriculum.

Experienced in developing teacher training programs and advising English speaking teachers of teaching ESL students.

Expertise in employing quantitative, qualitative, and/or mixed-method research designs for analysis of language data.

POSITION HELD

August 2016	Lecturer of English Composition for ESL, Penn State Harrisburg, PA.
To present	Teaching ENGL 105 (American Pop Culture and Folklore), ESL 5 (Writing Tutorials), ESL116/ENGL 497 (Special Topics), and ESL 4 (Academic Writing I). Providing second language learners instruction in both content (American pop culture and folklore) and language by

emphasizing contextualizing learning by making greater connections between the language and the target culture. Teaching a variety of genres of writing to develop critical thinking, reading, and writing abilities across disciplines. Sharing cross-cultural implications of the reasoning and shared historical and cultural knowledge. Teaching how to make arguments according to the academic discourse community, and a graduate-level research paper writing from data collection through result and discussion sections.

September 2013 to August 2016 Academic counselor and teacher, Student's Life, Inc., Camp Hill, PA. Directed curriculum development and designed textbooks for ESL learners. Directed and developed teacher training programs for English native speaking teachers. Consulted, advised, and prepared students for college. Taught SAT, TOEFL, and analytical reading and writing. Evaluated ESL students' English ability, progress, and interest using tests, score records, and interviews. Counseled ESL students to overcome their academic problems including school subjects.
